BMED

Life's a Beach

With summer in full swing and the glorious Levant weather keeping us warm, it is high season on the beach resorts of Lebanon.

Bamboo Bay

Jieh
Tel. +961 3 513 888

Bamboo Bay is considered one of the most sophisticated beach resorts in Lebanon, located 23km south of Beirut, in Jieh. With 15,000 square metres of beach space, it is more intimate than other, larger resorts, which gives it an air of exclusivity. This impression is further supported by the Jacques Déesange Spa and the massages available. The resort also has a fine Italian restaurant called La Posta Estate, a pool bar, swimming pools and a number of small shops. Additionally, the town of Jieh is home to some of Lebanon's finest archaeological ruins.
